

1800 x 600mm

X-Frame Banner Template

I Have checked the following:

1. Page size is 1800mm x 600mm
2. My design will be uploaded as C.Y.M.K. in PDF format
3. No spot or pantone colours are included in the design
4. All fonts have been converted to curves / outlines
5. There are no crop marks or bleed
6. There is a 20mm margin between text and edge of page
7. My PDF file does not exceed 30mb
(For files exceeding 30mb please contact us for a special upload)
8. Colour matching can only be done if i provide Signmart with a hard copy swatch

**Please delete this and the above text
on this page as acknowledgement
of accepting the above terms and replace
with your design.**
